1	71905	Creating innovative cultural product. International cooperation projects	Literature and publishing	"Reviving the 11th c. Reims Gospel and the 13th c. Vienna Octoechos" within the framework of the program "Returning Cultural Heritage to Ukraine" launched by the Gorobets Publishers in 2009	Limited Liability Company "Publishing house "Gorobets"	The Gorobets Publishers discovers, investigates and distributes the Old Russian manuscripts. In the framework of this project, the question is about reproduction of the two manuscripts originating from Ukraine: The 11th c. Reims Gospel, or The Bible of Anna Yaroslavivna, and The 13th c. Vienna Octoechos which original is kept at the National Library of Vienna, Austria. As a result, these manuscripts will be brought back to the world public and scientific community through creation and distribution of facsimile copies supplemented with a scientific commentary.	2019-05-02	2019-10-31	Ukraine, Austria, France	700000,00
2	71947	Creating innovative cultural product. International cooperation projects	Culture and creative industries	ARTEFACT: Chernobyl 33 – immersive media art exhibition	Individual Entrepreneur Kostenko Yaroslav Mykolayovych	The successful ARTEFACT project was supporting by UCF and received a great international press coverage. The media exhibition is an extension of ARTEFACT with many kind of arts and modern technologies with focus on critical thinking, problem of manipulation, fake news and Chernobyl tragedy. The exhibition will be created by international artists, musicians, experts and presented at the largest festival - Atlas Weekend (more than 500000 visitors) with the educational program and possible further exposure in the world in 2019-2020.	27.05.2019	27.10.2019	Kyiv, Chernobyl, Pripiyat, Zaporizhzhia, Madrid (Spain), Warsaw (Poland)	1759590,00
3	72065	Creating innovative cultural product. International cooperation projects	Literature and publishing	International cultural and educational project «Permanent Revolution. Contemporary Art in Ukraine» and presentation of Alisa Lozhkina's book (France-Ukraine)	CHARITABLE ORGANIZATION "CHARITABLE FUND "ZENKO FOUNDATION"	Cultural and educational project "Permanent Revolution. Contemporary Art in Ukraine" is the parallel publication of the book by one of the leading Ukrainian curators and art critics Alisa Lozhkina in Paris and Kyiv. The project includes educational and exhibition program. It is the first attempt to piece together the story of Ukrainian visual art from avant-garde till nowadays with the main focus on the artists who emerged after Ukraine gained independence. The goal is to introduce the major phenomena of contemporary Ukrainian art to the wide audiences in Ukraine and France.	20.05.2019	30.10.2019	Ukraine, France	1480570,00
4	72109	Creating innovative cultural product. International cooperation projects	Performative art	Opera-dystopia GAZ (after G. Kaiser and Les Kurbas, creation, production, performance, creation and presentation of film-opera, preparation for international tour and first tour-performance)	Charitable organisation "Art-foundation "PORTO FRANKO" of Ivano-Frankivsk region"	Nova Opera (Ukraine, composers Roman Grygoriv and Illia Razumeiko), Yara Arts Group (USA, stage director Virlana Tkacz) and choreographer Simon Mayer (Austria) will create Opera GAZ. Synthesizing our diverse cultures, ideas of contemporary music, art and performance, we are inspired by a 1919 Expressionist play by George Kaiser and its legendary Les Kurbas interpretation (1923) about an explosion at a futurist gas factory to create a new "dystopian-ecological" opera. Opera GAZ, after first performance in Kyiv, will be prepared for the international tour (Vienna in Oktober 2019, New York in 20)	2019-05-02	2019-10-31	Kyiv, Vienne (Austria)	1324287,00
5	72166	Creating innovative cultural product. International cooperation projects	Culture and creative industries	Developing a multilingual online art product, "rozdiLOVi", combining Ukrainian poetry, original music, and visualization	Non-Governmental Organization "ArtPole Agency"	Developing the online representation of the English, German, Polish, Czech, Russian, and Italian versions of the "rozdiLOVi" project. The project combines texts by Serhiy Zhadan, music by Tomasz Sikora and Aleksey Vorsoba, visuals by Olya Mykhailiuk. An interactive multimedia form of the project is presented through the rozdilovi.org produced by Dmytro Lider. The project's team is working on the audiovisual interpretation of the poetry translated in various languages. creating a multilingual, version of the website that will attract a wider audience in Ukraine and abroad.	13.05.2019	31.10.2019	Kyiv, Khakiv, starobilsk, Warsaw, Wroclaw, Bilostok (Poland), Berlin (Germany), Prague (Czech republic), Rome (Italy)	597530,00

6	60224	Creating innovative cultural product. National cooperation projects	Performative art	OpenTheatre	Sole proprietor (private entrepreneur) Kazantsev Pavlo Valeriyovich	The "OpenTheatre" is a platform that delivers the Ukrainian contemporary theater into digital space and promotes it through new technologies and media. Opentheatre.net dedicated to the performing arts with content of its own production: online broadcasts and video recordings of performances, diverse theater videos. The project is in line with the global trend - the dictatorship of art. Purpose of the project: - creation of tools and playground for the performance of performative art; - promoting the growth of public interest in theater.	20.05.2019	31.10.2019	Kyiv, Sumy, Odesa, Chernigiv, Ivano-Frankivsk, Dnipro	1431600,00
7	60560	Creating innovative cultural product. National cooperation projects	Performative art	Finally, Handel! "Acis and Galatea" in Ukraine	Private entrepreneur Grygorenko Galyna Volodymyrivna	The essence of the project is the creation of an innovative and competitive on global market production of G.F.Handel's "Acis and Galatea" (1718) with the participation of an international team of experienced professionals and a presentation of it to the broad audience in Ukraine. Within the project, it is planned to organise an educational program for professional musicians, as well as a broad audience development program for the Baroque Opera to raise awareness of the audience, as well as to expand it by attracting new audiences.	02.05.2019	30.09.2019	Kyiv	1496467,19
8	61370	Creating innovative cultural product. National cooperation projects	Visual art	Ukrainian East	National museum of the history of Ukraine in the Second World War. Memorial complex	The project draws attention to the current Russian-Ukrainian War. The actual socio-humanitarian issues are emphasized, which makes the Ukrainian East not only the site of war events' explanation and preserving the memory of its direct participants and witnesses, but also an area for individual and collective reflection on war preconditions, its impact on contemporaries and the future of Europe. Creation of the exposition through key art objects-artifacts, using interactive methods is an innovative experience for Ukraine that makes it possible to present exposition about the war in a new way.	03.05.2019	31.10.2019	Kyiv	1098640,00
9	61733	Creating innovative cultural product. National cooperation projects	Literature and publishing	"The Book Chamber" is the creation of library centers in Ukrainian children's medical institutions.	Knigooborot, LLC	The Book Chamber project has been prepared taking into account the Library Development Strategy for the period up to 2025 Qualitative Changes of Libraries to Ensure Sustainable Development of Ukraine, certified by the Cabinet of Ministers of Ukraine, dated March 23, 2016 No. 219-r. The idea of the project is innovative forms of reading support through the creation of cultural interaction centers, library centers in in-patient child-care facilities, where long-term treatment of children limits their access to social, cultural and educative, educational services, inhibits access to additional knowledge.	20.05.2019	20.08.2019	Kyiv, Vinnitsia	1031696,00
10	61782	Creating innovative cultural product. National cooperation projects	Literature and publishing	"These amazing Ukrainians"	Media Friends	This is a complex project, based on a book and online platform in the format of edutainment. With short texts and author's illustrations connected into a single infographic, it will narrate about the uniqueness of the Ukrainian nation's DNA. The book will be structured into sections devoted to the Ukrainian history, culture, science, stereotypes about us, our revolution, our holidays, and our neighbors. Like the fragments of the puzzle, sections of the book will form a sense of peculiarity, a holistic representation of what is Ukraine and who are modern Ukrainians in the reader's mind.	20.05.2019	31.10.2019	Ukraine	1236500,00
11	61864	Creating innovative cultural product. National cooperation projects	Performative art	Orchestra-Show Festival «ArtMajorShow»	Khmelnyska Dytiacha Shkola Mystetstv (Khmelnyskyyi Children Art School)	The project transforms the traditional perception of a symphonic wind ensemble by creating a large-scale stage action - the Theater of Orchestras with Majorettes "The City Does not Sleep". The only plot line is based on the interaction of different genres and forms: original choreographic stagings, pop, jazz and rock, fire shows, pantomime, interactive music. The combination of the European tradition of majorettes with Ukrainian cultural features will enable the diverse audience to engage in the exclusive cultural heritage of the cities of Khmelnytskyi and Odessa.	10.05.2019	30.06.2019	Khmelnyskii, Odesa, Ovidiopol village, Grybivka village	820601,82

12	61934	Creating innovative cultural product. National cooperation projects	Cultural heritage	Ukrainian Bouquet of Nations – Development of Intercultural Guides Involving citizens of Ukraine with different social and ethnic background	NGO Youth organization “STAN”	The Project “Ukrainian Bouquet of Nations” aims at development of intercultural dialogue, support of cultural diversity as well as exercise of cultural rights of citizens and communities. The project will unite and enhance groups of citizens in Ukraine of various social and ethnical backgrounds and will support cultural diversity in the regions. It will be done with the help of creation and promotion of intercultural guide that will be an innovative competitive cultural and awareness raising product.	2019-05-02	2019-10-31	Drogobych, Melitopol, Lysychansk, Kremenchug, Kyiv	1490430,40
13	61956	Creating innovative cultural product. National cooperation projects	Culture and creative industries	The voice of a new Ukrainian wave	Public Organizations «Active.Bar»	We will unite 4 Ukrainian music festivals for the development of young artists and promotion of their cultural product for a wide audience. A separate scene will be created at each festival and two full festival days will be dedicated to the performances of young musicians from all over Ukraine, pre-selected by a competent jury. About 25 young groups and 100 musicians will receive a powerful promotion of their own creativity. Ukrainian tour will be organized in September 2019 for the band, which festival visitors will recognize the best.	01.07.2019	30.09.2019	Kharkiv, Khmelnytskii, Bar, Kolomyia	750100,00
14	61981	Creating innovative cultural product. National cooperation projects	Visual art	The first digital-constellation of murals on the map of Ukraine	Non-governmental organization “Interactive platform “Prostir”	“The First Digital-Constellation of Murals on the Map of Ukraine”, which will be implemented in 9 communities of Rivne and Volyn regions, will promote the dissemination of digital technologies in the field of culture and art. Promote contemporary street art among young artists, as well as revitalize the development of tourism in towns and villages located within a radius of 60 km from Rivne and Lutsk. In addition to the artistic and aesthetic roles, digital murals in communities will have a strong value added, as they will be united by a common theme - Global Sustainable Development Goals.	22.05.2019	31.10.2019	Rivne, Lutsk, Zdolbuniv, Dubno, Kostopil, Ostrog, Klevan village, Goscha village, Pryvilne, Tarakaniv, Bystrychi village	1189327,37
15	62001	Creating innovative cultural product. National cooperation projects	Literature and publishing	Translation of essential academic texts on the history and theory of art and photography	Limited Liability Company “RODOVID PRESS”	This project initiates a series of translations of fundamental academic texts on the history and theory of art with a special focus on photography. For this grant cycle we have chosen to translate two monographs of well-known researchers of photography Geoffrey Batches (New Zealand/USA), John Tagg (USA). During this grant we will translate the proposed texts from English into Ukrainian with the careful academic supervision, provide copy editing and create a design layout for the subsequent paper publication.	20.05.2019	31.10.2019	Kyiv, Kharkiv	1398820,00
16	62103	Creating innovative cultural product. National cooperation projects	Cultural heritage	“Battle of memories: myths and realities of the Soviet era”	Communal institution “Museum of the History of the City of Kamianske” of Kamianske City Council	The exhibition project “Battle of memories: myths and realities of the Soviet era” consists of an art-documentary exhibition and a number of events: panel discussions, workshops for regional museums, curatorial excursions, educational program for children (team play, quest, master class). The project is intended to give visitors an insight into the nature of the communist totalitarian regime and to offer to museum workers new approaches in displaying Soviet collections.	10.05.2019	31.10.2019	Kyiv	949039,40
17	62182	Creating innovative cultural product. National cooperation projects	Cultural heritage	“Tymko Padura Cultural-Tourist Center” and Festival “Hey, Sokoli!”	NON-GOVERNMENTAL ORGANIZATION “MEDIA CENTER “VLASNO”	The project aim is popularization art of Tymko Padura (Ukrainian-Polish traveling poet and musician of 19th centuries, the author of the famous song “Hey, Sokoli!”), by creating the “Tymko Padura Cultural-Tourist Center” in Maknivka village of Kozyatynsky district, Vinnytsia region, Ukraine, where the poet lived, worked and was buried. Also one of objectives is conducting an information campaign in Poland and Ukraine, holding the first annual festival of Tymko Padura “Hay Sokoli!” in the village Makhnivka.	02.05.2019	31.10.2019	Lutsk, Makhnivka village (Vinnytsia region)	1128226,22

18	62235	Creating innovative cultural product. National cooperation projects	Cultural heritage	Open online platform for Trypillian culture artifact	State Historical and Cultural Reserve "Trypillia Culture"	The project envisages the creation of the first online platform to present the unique Trypillian collections of the State Historical and Cultural Reserve "Trypillia Culture" and the Borshchiv Local History Museum. The digitization of exhibits will be the first step towards cataloguing the Trypillian heritage on the territory of Ukraine and the basis for the creation of a nationwide resource devoted to this culture. Exhibits (V-IV century BC) are of great interest for scientific community in our country and abroad, also to a wide range of users interested in the world cultural heritage	02.05.2019	31.10.2019	Borshchiv, Legelpyt village (Cherkasy region)	569100,00
19	62237	Creating innovative cultural product. National cooperation projects	Culture and creative industries	Cultural Picnics	Communities Development Centre, Kharkiv NGO	We propose to combine education and promotion solutions for cultural institutions in the street format – «Cultural Picnics». Here, the «players» of the culture & creative sector will communicate by the non-profit and non-barrier way with their target audience – wide public. The method that distinguishes the format from analogues is the principle of «show, explain, give it a try». This method will be done by professionals in the open space without any restrictions on access of the viewer who will be already an associate.	01.08.2019	31.10.2019	Kharkiv region. Ternopil region	1016596,30
20	50305	Creating innovative cultural product. Individual projects	Performative art	Multi-genre street educational performance "The Tale about Volodymyr the Great"	Limited Liability Company "VD-Travel"	Production and presentation of theater and educational performance in the genre of street theater about the pre-Christian period of Prince Volodymyr's life and the moment of adoption of Christianity in Rus-Ukraine. The original author's interpretation of the traditions of musical-performing arts of Ukraine in different historical periods (from XI to XXI century), using the means of expressiveness of plastic drama and circus art. A simple story of the continuity of the 1000-years traditions of the Ukrainian Christianity, musical and performing arts of Ukraine with educational purpose.	01.06.2019	31.08.2019	Kyiv. Rubizhne, Severodonetsk, Bahmut, Pokrovsk	456938,00
21	50406	Creating innovative cultural product. Individual projects	Culture and creative industries	Historical and Cultural Festival "Pogorinsky Mista. Hoshcha"	Non-Governmental Organization "Rivne Cyclists Union"	The historical and cultural festival "Pogorinsky Mista. Hoshcha" is a grand one-day festival with powerful historical and artistic components. It is a festival of live history outside on the banks of the Gorin River. During the festival, military reenactors and costume and weapon historians will arrange a large-scale reconstruction of the atmosphere of the world between the 9 and 17 century, including the materials used (weapons, equipment, clothes, and household items) and culture. Both Vikings and registered Cossacks will hold lectures and master classes. The event finishes with a concert.	01.07.2019	30.09.2019	Goscha village (Rivne region)	440938,00
